- Detail -

1. The confirmer has been engaged in the business of managing entrusted virtual assets for clients in collaboration with Song Joon, operating a virtual asset entrusted investment business. The confirmer and Song Joon have invested entrusted assets to generate profits, and have received a portion of the profits as compensation fees. In this process, the confirmer was responsible for the actual investment and management of virtual assets. 2. In around June 2022, the confirmer entered into an discretionary investment agreement with Choi Ji-woong and Mosaic Co.

Ltd. under the name of the business partner, Song Joon. The actual parties to the discretionary investment agreement were Song Joon and the confirmer. The agreement was concluded as a result of the confirmer and Song Joon advising Choi Ji-woong and Mosaic Co. Ltd. on virtual asset investment, and because the confirmer managed all the investments made under the name of the confirmer and Song Joon, Choi Ji-woong and Mosaic Co. Ltd. trusted the past performance of virtual asset investment profits and results, which were settled by the confirmer around May 2022, and entered into the agreement. At the time of the agreement, the opposing parties, Choi Ji-woong and Mosaic Co. Ltd., were aware that the confirmer was the actual counterparty. At the time of the agreement's conclusion, the counterparties, Choi Ji-woong and Mosaic Co. Ltd., were aware that the confirmer was the actual contracting party, and the contract was directly concluded between the confirmer and Song Joon, and Choi Ji-woong and Mosaic Co. Ltd. After the conclusion of the agreement, as stated in Provision 1, the confirmer received the discretionary investment assets of the aforementioned parties into a cryptocurrency exchange account under the confirmer's name and managed them. The discretionary investment agreement concluded on December 5, 2022, was concluded under the same relationship as well, directly between Song Joon and the confirmer with Choi Ji-woong and Mosaic Co. Ltd., with the confirmer being the actual manager. [stamp] [signature]

3. The account under the confirmer's name at FTX.com (Customer Code: 00170608, 03698313) was used by the confirmer for the discretionary investment asset management after receiving virtual assets from Choi Ji-woong, Mosaic Co. Ltd., Haru Investment, Im Hyung-cheol, and others for investment purposes. Currently, the discretionary investment assets of Choi Ji-woong and Mosaic Co. Ltd., as mentioned in Provision 1 and 2, were transferred to the confirmer's virtual asset exchange account and were traded until they were frozen after FTX.com filed for bankruptcy on November 11, 2022.

4. The confirmer will carry out the return procedure for the remaining discretionary investment assets by transferring the entire Customer Code 03698313 account (approximately USD 59.2 million worth) and part of the Customer Code 00170608 account (approximately 28.81% of the account value at the time of FTX.com's account freeze, about USD 30.6 million) to Choi Ji-woong, Mosaic Co. Ltd., and Im Hyungcheol. The remaining discretionary investment assets will be returned in accordance with the principles established by law.
